Mrs. Lucas Parke,

238 Bloor Street East, Toronto.

Dear Mrs. Parke:

I have just received your letter with the programme of the 14th Annual Meeting of the Independent Order of Daughters of the Empire. I have to thank you for the invitation to be present on Thursday afternoon when the reports are to be given. I regret, however, that owing to another committee that afternoon it will be impossible for me to be with you.

Yours sincerely,
